

Viewing Notes

The minimum requirements for viewing this presentation are:

- An operating system with standard Java support such as Windows, Linux, Solaris, Mac OS, OS/2 and Symbian EPOC.
- A Java-enabled web browser such as Internet Explorer 4+, Netscape 4+ and Opera 4+.
- E-mail program such as Outlook 2000+, Outlook Express 5+, Netscape Messenger, AOL Webmail, Lotus Notes R5, or Eudora 4.3+
- A sound card and speakers to hear the audio.

This presentation has been adapted for online viewing using *Impatica* for PowerPoint, a software tool that allows Microsoft PowerPoint presentations to be played over the Internet without plug-ins, at modem speeds as low as 28.8 kbps. **To view this presentation you must have Java installed and enabled on your computer.** If instead of the presentation, you see a gray box with a red X in the corner you probably either do not have Java installed or it is not enabled. To determine this you can [check your browser settings](#).

For Dial-up Users:

Impatica OnCue Presentations offer flexibility in download times.

If you are using a dial up connection select the “still” option on the presentation screen for faster download times. The default setting (256K) is appropriate for broadband.
