

Cardiology Grand Rounds 2011 / 2012

Presentations shown in [blue](#) are available online. See cme.texasheart.org and explore Cardiology Grand Rounds.

Date	Speaker	Affiliation	Topic
8/5/2011	Blase Carabello, MD	Texas Heart Institute at St. Luke's Episcopal Hospital	Valvular Heart Disease: Management of the Asymptomatic Patient with Severe disease and of the Patient with Far Advanced Disease and Ventricular Dysfunction
8/12/2011	James T. Willerson, MD	Texas Heart Institute at St. Luke's Episcopal Hospital	Update on Adult Human Stem Cell Treatment of Coronary Heart Disease and Severe Heart Failure in Humans
8/19/2011	Paolo Angelini, MD	Texas Heart Institute at St. Luke's Episcopal Hospital	CCAA (Center for Coronary Artery Anomalies)
8/26/2011	Scott LeMaire, MD	Texas Heart Institute at St. Luke's Episcopal Hospital	The Evolution of Open Aortic Arch Repair
9/2/2011	Biswajit Kar, MD	Texas Heart Institute at St. Luke's Episcopal Hospital	TAVI: The Hype and the Hope and the Hurrahs
9/9/2011	No Conference		
9/16/2011	Mervyn Williams, MD	South Africa	Mechanical Valves in South Africa - Historical Aspects and Current Practice
9/23/2011	David Paniagua	Michael E. DeBakey VA Medical Center	From Idea to Implementation "The New Paradigm for Innovation"
9/30/2011	Hani Jneid, MD	Michael E. DeBakey VA Medical Center	Assessment and Treatment Strategies for Intermediate Coronary Lesion
10/7/2011	Anita Deswal, MD	Michael E. DeBakey VA Medical Center	Heart Failure and Preserved Ejection Fraction
10/14/2011	Robert Seigel, MD	Cedars Sinai Medical Center	Echo Guided Percutaneous Cardiac Interventions for Structural Heart Disease with an Emphasis on Valve Replacement and Valve Repair
10/21/2011	R. David Fish, MD Emerson Perin, MD, PhD	Texas Heart Institute at St. Luke's Episcopal Hospital	Left Main Revascularization in the SYNTAX Era
10/28/2011	Brian Walton, MD	Texas Heart Institute at St. Luke's Episcopal Hospital	Molecular Imaging for Atherosclerosis
11/4/2011	Alan Hirsch, MD	University of Minnesota Physicians Heart at Fairview	CLI is ACS ² : Contemporary Treatment and Clinical Research Challenges for Severe Peripheral Arterial Disease
11/11/2011	No Conference		AHA
11/18/2011	William Cohn, MD	Texas Heart Institute at St. Luke's Episcopal Hospital	Left Atrial Appendage Occlusion
11/25/2011	No Conference		
12/2/2011	David Zhao, MD	Vanderbilt University	Hybrid Coronary Revascularization
12/9/2011	No Conference		
12/16/2011	Sunil Rao, MD	Duke University Medical Center	Bleeding and Transfusion Issues in Patients with Ischemic Heart Disease
12/23/2011	No Conference		
12/30/2011	No Conference		
1/6/2012	No Conference		
1/13/2012	No Conference		
1/20/2012	Robert Simari, MD	Mayo Clinic	Late TIME and the Rapid Evolution of Cardiovascular Cell Therapy
1/27/2012	Yochai Birnbaum, MD	Texas Heart Institute at St. Luke's Episcopal Hospital	ECG Grades of Ischemia: The "Sclarovsky Birnbaum" Score
2/3/2012	Anne Dougherty, MD	The University of Texas Health Science Center Houston	Responsible Research: What Makes Clinical Research Ethical?
2/10/2012	No Conference		
2/17/2012	H. Vernon Anderson, MD	The University of Texas Health Science Center Houston	Is Personalized Antiplatelet Therapy Possible?
2/24/2012	Toma Catalin, MD	University of Pittsburgh	Platelet Reactivity Testing in Coronary Artery Disease Patients: Is It Still Relevant?
3/2/2012			
3/9/2012	Arthur Moss, MD	University of Rochester Medical Center	Saving Lives and Reducing Heart Failure with Cardiac Resynchronization Therapy in At-risk Cardiac Patients
3/16/2012	Denton A. Cooley, MD	Texas Heart Institute at St. Luke's Episcopal Hospital	Mentoring and Mentors
3/23/2012	No Conference		ACC
3/30/2012	Antonio Pelliccia, MD	Rome, Italy	Sudden Death in Athletes
4/6/2012	No Conference		
4/13/2012	No Conference		
4/20/2012	No Conference		
4/27/2012			4th Annual Denton A. Cooley Lectureship
5/4/2012			Baylor College of Medicine Lewis Lectureship
5/11/2012			Baylor College of Medicine Lectureship
5/18/2012			
5/25/2012			
6/1/2012	David Callans, MD	University of Pennsylvania	Ablation of Ventricular Tachycardia in Structural Heart Disease: Treatment of Last Resort
6/8/2012			
6/15/2012	Alberto Colomer, MD	St. Luke's Episcopal Hospital	Pulmonary Hypertension
6/22/2012			
6/29/2012
