

CARDIOLOGY GRAND ROUNDS

Re-Defining Heart Failure

Lynne W. Stevenson, MD

Director of Cardiomyopathy and Heart Failure at Brigham and Women's Hospital; Program Director, Advanced Heart Failure Fellowship Program; Professor of Medicine - Vanderbilt University Medical Center - Nashville, TN

February 8, 2019, 12:00 p.m.

**Denton A. Cooley Auditorium
Room C060**

This presenter will discuss how the disease of heart failure, and how we describe it, has changed as the therapies have improved.

At the conclusion of this conference, participants should be able to:

- Contrast the heart failure journey in 1989 and 2019.
- Describe how our therapies for heart failure have changed the way we classify it.
- Identify three populations for which heart failure might no longer be the most accurate term.

Texas Heart Institute is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Texas Heart Institute designates this live activity for a maximum of *1.0 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
