

## **The Texas Heart Institute at Baylor College of Medicine Cardiology Grand Rounds**

Baylor College of Medicine

**Friday, September 12, 2025**

**12:00 – 1:00 p.m.**

### **Current TAVR Data and the Lifetime Management of Aortic Stenosis**

#### **Michael J. Reardon, MD**

Allison Family Distinguished Chair in  
Cardiovascular Research  
Department of Cardiovascular Surgery  
Houston Methodist  
Professor of Cardiovascular Surgery  
Department of Cardiovascular Sciences  
Weill Cornell Medical College

#### **In-Person Location**

**Baylor St. Luke's Medical Center**  
**Denton A. Cooley Auditorium (C060, Level B1)**  
**6720 Bertner Avenue**

- ▶ Sign in to track attendance and earn credit.  
Text Phone Number: **713-903-7277**  
Event ID: **CULDET**

**Objectives:** At the conclusion of the session, the participants should be able to:

- Describe the status of clinical data on transcatheter aortic valve replacement (TAVR).

- Review current evidence regarding the durability of TAVR and surgical aortic valve replacement.
- Recognize factors affecting decision-making in the lifetime management of aortic stenosis.

**Target Audience:** This activity is intended for cardiologists, cardiovascular and cardiothoracic surgeons, anesthesiologists, intensivists, primary care physicians, fellows, residents, medical students, physician assistants, nurses, nurse practitioners, other advanced practice providers, and perfusionists at Baylor St. Luke's Medical Center, Baylor College of Medicine, and the greater Texas Medical Center.

**Needs Statement:** Clinicians engaged in the practice of cardiovascular medicine including physicians in practice, faculty members, fellows, residents, medical students, allied health and other healthcare practitioners and care team members in related disciplines need to receive regular updates on evidence-based clinical practices, and technological and pharmaceutical advances in cardiovascular medicine. The series aims to expand the knowledge of learners, advance their clinical skills and competencies, address the challenges of healthcare delivery in the clinic, hospital, diagnostic, and surgical settings to enhance the quality of cardiovascular care, and improve patient outcomes by providing education to address gaps arising from the continually evolving practice standards, how to implement them, and the steps for performance change.

**Educational Methods:** Educational methods will include lectures, case presentations, and audience response.

**Activity Evaluation:** Participants may be asked to complete a session evaluation.

**Accreditation/Credit Designation:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Baylor College of Medicine and The Texas Heart Institute. Baylor College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## ► DISCLOSURE OF FINANCIAL RELATIONSHIPS

**Relevant Financial Relationships with Ineligible Companies:** *All relevant financial relationships listed have been mitigated.*

*Select all roles that apply for this session.*
