

The Texas Heart Institute at Baylor College of Medicine Cardiology Grand Rounds

Friday, March 27, 2026
12:00 – 1:00 p.m.

Cardiac Myosin Inhibitors and Hypertrophic Cardiomyopathy: A Paradigm Shift?

Ajith P. Nair, MD

Associate Professor

Department of Medicine, Cardiology
Baylor College of Medicine

Associate Program Director, Advanced Heart Failure and
Transplant Cardiology Fellowship
Director, Advanced Heart Failure Clinic
Baylor St. Luke's Medical Center

In-Person Location

Baylor St. Luke's Medical Center
Denton A. Cooley Auditorium (C060, Level B1)
6720 Bertner Avenue

- ▶ Sign in to track attendance and earn credit.

Text Phone Number: **713-903-7277**

Event ID: **PEZZEX**

Objectives: At the conclusion of the session, the participants should be able to:

- Evaluate the clinical evidence for cardiac myosin inhibitors (CMIs) in hypertrophic cardiomyopathy (HCM)
- Apply contemporary treatment algorithm incorporating myosin inhibitors
- Understand the pathophysiologic basis for CMIs

Target Audience: This activity is intended for cardiologists, cardiovascular and cardiothoracic surgeons, anesthesiologists, intensivists, primary care physicians, fellows, residents, medical students, physician assistants, nurses, nurse practitioners, other advanced practice providers, and perfusionists at Baylor St. Luke's Medical Center, Baylor College of Medicine, and the greater Texas Medical Center.

Needs Statement: Clinicians engaged in the practice of cardiovascular medicine including physicians in practice, faculty members, fellows, residents, medical students, allied health and other healthcare practitioners and care team members in related disciplines need to receive regular updates on evidence-based clinical practices, and technological and pharmaceutical advances in cardiovascular medicine. The series aims to expand the knowledge of learners, advance their clinical skills and competencies, address the challenges of healthcare delivery in the clinic, hospital, diagnostic, and surgical settings to enhance the quality of cardiovascular care, and improve patient outcomes by providing education to address gaps arising from the continually evolving practice standards, how to implement them, and the steps for performance change.

Educational Methods: Educational methods will include lectures, case presentations, and audience response.

Activity Evaluation: Participants may be asked to complete a session evaluation.

Accreditation/Credit Designation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Baylor College of Medicine and The Texas Heart Institute. Baylor College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

∩ DISCLOSURE OF FINANCIAL RELATIONSHIPS

Relevant Financial Relationships with Ineligible Companies: *All relevant financial relationships listed have been mitigated.*

Ajith P. Nair, MD	Presenter
Research Support (All Financial Relationships Are Current): Cytokinetics, Merck, Intellia, Gradient, Gossamer, Johnson & Johnson, Abbott. Speaker Honorarium (Past): Johnson&Johnson.	

No Financial Relationships with Ineligible Companies: *Nothing to disclose.*
